Load in and Parking:

Parking is to left side of building
Load in is through front door

We Do Not Rent Any Gear for Shows, all bands either bring their own equipment or use the house gear we provide.

********We require that all bands/artists to do a sound check********

Load in is after 4:00 and all sound checks must be finished by 6:00 as reservations start coming in around then and we can't make noise or setup between 6:00 —> showtime (during patrons dinner time).

*Please send—> a stage plot, **Input list**, contact person info as soon as possible If you want to use any of our backline gear, please include in your email.*

Load in, Sound check, Merch sales, Parking, Hospitality,
